

Full-time Associate Neuro-Oncologist
Neuro/MSK and Oncology Programs, Trillium Health Partners,

Trillium Health Partners (THP) is the largest community-based academic health network in Ontario, serving over one million residents in the communities of Mississauga, Peel Region and West Toronto. The hospital encompasses three main sites – Credit Valley Hospital (CVH), Mississauga Hospital (MH), and Queensway Health Centre (QHC) – offering a full range of acute care hospital services, as well as a variety of community-based specialized programs including the Carlo Fidani Regional Cancer Centre.

The Division of Neurology has an excellent working relationship with Neuro-radiology Department and Neurosurgery Division, and actively participates in clinical research trials. The Division supports well-established Spine, Neuromuscular, Neuro-oncology, General Neurology, and Stroke Clinics. As well, THP is a regional Stroke Centre and a leader in stroke care in Canada with more than 150 thrombolysis cases per year, and over 2,500 visits per year to our outpatient Stroke Clinic.

Similarly, the Carlo Fidani Regional Cancer Centre is a growing cancer program and in the last year had over 200 000 patient visits. The Regional Cancer Centre is a fully integrated cancer program that provides a full spectrum of Oncology consultation and treatment services. The primary malignant brain tumour program began in 2018 and has since grown to become the largest community hospital Neuro-Oncology program in Ontario. This is a multi-disciplinary program with close collaboration between neuro-oncology, radiation oncology, neurosurgery and palliative care.

We currently have a position available for a full-time Neuro-oncologist who will be cross-appointed within the Divisions of Neurology and Oncology. The position includes outpatient care at the urgent neurology clinic and neuro-oncology clinic at Credit Valley Hospital and cross-site EEG interpretation at an equitable proportion to the other CVH neurologists. The position also includes general neurology coverage within an inpatient consultation service at Credit Valley Hospital site on a rotational basis and at an equitable proportion including weekday, evening and weekend coverage. The position is well supported by dedicated neurology and oncology nurses. The position requires participation in undergraduate and graduate medical education via appointment with the Mississauga Academy of Medicine, University of Toronto.

The position represents an opportunity to join a group of dedicated healthcare professionals in a progressive organization. The successful candidate must be certified in neurology by the Royal College of Physicians and Surgeons of Canada, or equivalent (e.g. American Board), and be licensed, or be eligible for licensure, to practice medicine independently in the province of Ontario. Candidates with completed fellowship in neuro-oncology will be preferred.

The successful candidate will be eligible for appointment with the Department of Medicine at the University of Toronto. The position is currently available to start in January 1, 2022 but an appropriate candidate engaged in additional fellowship training over the next year could start in July 2022.

Interested candidates are requested to reply with a letter of interest and curriculum vitae, along with the names and contact information of three (3) references by November 30, 2021:

Dr. Amer A. Ghavanini, MD PhD FRCPC CSCN (EMG)
Division Head of Neurology, Trillium Health Partners
Clinical Assistant Professor, University of Toronto
C/O Zeeshan Muhammad at Muhammad.Zeeshan@thp.ca
