

# Hiring Neurologists

Vancouver Island, BC

Island Health's Division of Neurology is recruiting Neurologists with excellent General Neurology skills in Comox, Nanaimo and Victoria. Additionally, we have opportunities to work within many of the sub-specialty areas in our hospital-based clinics. We are happy to receive applications from any sub-specialist Neurologists wanting to bring their expertise to our communities.

Academic affiliation with the University of British Columbia (UBC) and the Island Medical School postgraduate and undergraduate programs is available. We also provide quality initiative and leadership training opportunities and clinical research supported through our Vancouver Island Research Centre.

These vibrant growing communities also have strong public and private schools making them a perfect place to raise a family. With its diversity of landscapes, rich heritage and robust cultural scene, the Vancouver Island region offers an opportunity for a work-life balance prioritized for a healthy and sustainable career.

At Island Health, we recognize, gain knowledge and respect the differences in each individual we serve. The right to feel culturally safe is for everyone.

**Benefits:** May be eligible for additional remuneration in accordance with the Rural Subsidy agreement. Excluding Victoria and Nanaimo.

**Remuneration:** Fee-for-Service, MOCAP
