2025 Industry Supported Session

Lunch 'n Learn 1: Inform PD: Identifying optimization strategies in the management of PD

Monday, June 9, 2025 - 12:00 PM – 1:30 PM Eastern
Rogers Centre Ottawa, Level 2, Room 205
Faculty: Barbara Connolly • Phillippe Rizek • Alex Escobar • Justyna Sarna

Description:
An informative presentation and discussion on optimizing care for patients with Parkinson's Disease through timely identification and streamlined referral.

Learning Objectives:
- Apply tools for timely identification of patients with PD who are uncontrolled on current treatment
- Assess PD treatment options and how they can be optimized (oral, adjunctive and device-aided therapy)
- Explore pathways for the referral of patients with advanced PD
- Describe educational initiatives available for patients with PD

Audience: Adult Neurologist
Learning Level: Intermediate (Practicing Physician)
Learning Format: Lecture/plenary method

Time	Presentation Title	Name of Speaker
12:00-1:30 PM ET	Inform PD: Identifying optimization strategies in the management of PD	

This program was developed by the CNSF and AbbVie and was planned to achieve scientific integrity, objectivity and balance. It is an unaccredited learning activity and not eligible for MOC credits.
