NEUROLOGISTS

CALGARY, ALBERTA, CANADA

Peak Medical Group (PMG)) is seeking Adult and Pediatric Neurologists to join their growing team of physicians in Calgary and Edmonton, Alberta. The successful candidates must be eligible for full licensure with the College of Physicians and Surgeons of Alberta (CPSA). International Medical Graduates from the UK, USA, Ireland, and Australia are invited to apply, as those candidates will be eligible for full licensure on CPSA's General Register under the Approved Jurisdiction Route.

Our management team handles everything, including your scheduling, billing, referral collection and coordination, admin and clinical staffing, information technology/computers, and electronic medical records. We offer a flexible schedule, and our friendly atmosphere and supportive staff will allow you to flourish while receiving competitive fee for service remuneration.

Established in 2010, the Peak Medical Group currently has 35 Specialists and 75 Family Physicians working at 20 community clinic locations across Alberta, including Calgary, Edmonton, Red Deer, High River, and Okotoks, with more locations opening soon. Our vision has always been to develop a network of multi-disciplinary medical clinics and support services that enables compassionate care and encourages enhanced patient education and wellness. We currently assist a wide range of specialists in their practice management, including Respirology with Pulmonary Diagnostics, Allergy, Dermatology, Sleep Medicine, Neurology, Physiatry, Rheumatology, Internal Medicine, Family Medicine, and others.
