

# A PLACE WHERE MEDICINE & LIFE ALIGN

Short commutes, a close-knit community, and endless adventures along Canada's West Coast.

## **Neurologist – Maple Ridge & Pitt Meadows**

**Location:** Maple Ridge & Pitt Meadows, British Columbia, Canada

### **Job Overview**

As a Neurologist in Ridge Meadows, you'll have the opportunity to lead and develop a neurology service at Ridge Meadows Hospital (RMH) located in Maple Ridge. RMH is a well-established hospital with a reputation for working cooperatively in a collegial environment. Work closely with a multi-disciplinary team to manage a broad range of neurological conditions. There is an in-house MRI and trained neuro-diagnostic radiologists to support your practice. Administration will consider supporting establishment of EMG/EEG services at RMH for the right candidate.

There is a growing demand for a local Neurologists in Ridge Meadows, particularly for a neurologist who wants to make a lasting impact by shaping a neurology program that responds directly to the varied needs of local patients. The position allows for a mix of inpatient and outpatient work, enabling you to make a meaningful impact on patients' lives while building lasting connections with colleagues.

### **Why Choose Ridge Meadows?**

Ridge Meadows provides a unique balance of professional growth and personal well-being. Nestled in the stunning Fraser Valley, the area boasts natural beauty, family-friendly neighborhoods, and a strong sense of community. Physicians often highlight the collaborative atmosphere within the medical network, which makes building relationships with colleagues seamless and rewarding.

For neurologists, Ridge Meadows offers an attractive balance between work and lifestyle. If you choose to live in Ridge Meadows your commute to work is short and free of congestion; after work, hit the trails for a walk, ride, or hike, jump in your canoe or kayak for an evening paddle, or join your neighbours for an evening of Music on the Wharf in Port Haney. If you're looking for a little excitement, head to Vancouver – a short 45-minute drive away – to catch a Whitecaps soccer game, go to the Queen Elizabeth Theatre for a show, or go dancing in one of the many clubs.

## Relocation Made Easy

Ridge Meadows supports its physicians through the Red Carpet Program, offering relocation assistance, housing support, and help with integrating into the community. The BC healthcare system is built on patient-centered, team-based care, providing you with the resources and collaboration needed to thrive.

## Working in BC's Healthcare System

British Columbia's healthcare system is centered on team-based care, with a strong emphasis on collaboration and patient outcomes. As a Neurologists in Ridge Meadows, you are keen to build and develop a Neurology program to meet local needs and take pride in establishing a well-rounded practice that meets local patient needs.

## Compensation and Benefits

Neurologists in Ridge Meadows benefit from:

- **Competitive Compensation:** Fee-for-service, alternative payment plan (APP) and/or on-call stipends (MOCAP)
- **Professional Development:** Opportunities exist to participate in regional neurology rounds at Royal Columbian Hospital to continue to grow your skills and develop your leadership skills by applying to Fraser Health to participate in the UBC Saunders Physician Leadership Program and taking on leadership within the Ridge Meadows Hospital Neurology program.
- **Relocation Support:** Assistance with housing, schools, and community integration through the Red Carpet Program.

## What You'll Do

- Provide holistic neurological care by seeing a wide range of neurology patients, while having the opportunity to work within your neurology specialty
- Collaboratively listen with an open-mind and curiosity to the multidisciplinary hospital team to address patients' needs and advise colleagues on best practices and approaches for patient care

## Qualifications

- Medical Degree and Certification through the FRCPC or equivalent. Provisional or Active license accepted.
- Licensure or eligibility for licensure with the College of Physicians and Surgeons of British Columbia (CPSBC).
- Strong interpersonal skills and commitment to holistic, patient-centered care.
